

# BALTIMORE

AUGUST 4-7, 2022  
HYATT REGENCY BALTIMORE INNER HARBOR

SIMONS  
SEARCHLIGHT

SETBP1  
SOCIETY

## It's time to get Together...

Whether you travel by plane, car, train, or bike, we want to see YOU and YOUR FAMILY at our first EVER in-person conference for SETBP1 families. Bring the whole family! You'll enjoy meeting other families, sharing experiences and spending time with people who understand. We look forward to creating new memories as we learn, laugh and live -- TOGETHER!

## Sessions + Workshops + Family Outing

Attend sessions and workshops to learn all about SETBP1. Hear from and ask questions of experts in the fields of research, communication, family care, behavior and MORE! Also, enjoy a ride in the harbor Saturday afternoon with other SETBP1 families on a pirate ship!

## Help Advance Understanding of SETBP1-HD

With so much to still discover about SETBP1-HD, we seek out opportunities to learn as much as we can. Several opportunities will be available at the conference to help researchers and medical scientists to further understand the disorder and its impact.

## What is provided at no-cost at the conference...

- Childcare for kids with SETBP1-HD and their siblings
- Breakfast, lunch, and dinner
- Saturday afternoon outing with other SETBP1 families
- Translation services
- Attendance to all sessions, meetups, and workshops
- Happy hour with SETBP1 medical specialists and researchers
- Access to promote SETBP1 research
- Hotel Stay Scholarships for families in need

Simons Searchlight is hosting this conference in partnership with SETBP1 Society, CSNK2A1 Foundation, Hope for HIVEP2, and MED13L Foundation.
